REPORT NO. 4

(RESOLUTION CHAPTER 173, STATUTES OF 1989)

RESOLUTION CHAPTER 173

Senate Concurrent Resolution No. 62—Relative to the Sacramento River.

[Filed with Secretary of State September 21, 1989.]

WHEREAS, The Sacramento River system has tremendous social, environmental, and economic value to the people of California for many consumptive and nonconsumptive beneficial purposes; and

WHEREAS, The Sacramento River system is the largest source of

salmon, striped bass, sturgeon, and shad in the state, and is also a major source of steelhead and other game fish; and

WHEREAS, The Sacramento River system is the source of water for much of the migratory bird population of the Pacific Flyway; and

WHEREAS, Various human and natural causes have contributed to substantial reductions in various anadromous fish populations in the Sacramento River system; and

WHEREAS, The California Legislature enacted legislation in 1986 which created an action team and an advisory council representing diverse interests to develop an Upper Sacramento River Fisheries and Riparian Habitat Management Plan; and

WHEREAS, The advisory council completed and submitted a management plan to the Legislature in January of this year; and

WHEREAS, The plan identified specific actions necessary to protect, restore, and enhance the fisheries and riparian habitat and associated wildlife as part of the orderly development of the water resources of the Sacramento River Basin; now, therefore, be it

Resolved by the Senate of the State of California, the Assembly thereof concurring, That it is the policy of the state to implement the actions recommended in the Upper Sacramento River Fisheries and Riparian Habitat Management Plan in general conformance with the priorities indicated in the plan; and be it further

Resolved, That it is the policy of the state to appropriate sufficient funds annually, in conjunction with the federal government, local governments, and other sources, to implement the actions outlined in the management plan; and be it further

Resolved, That it is the policy of the state that departments, agencies, and other units of the state with responsibilities for implementation of the plan shall, upon adoption of this resolution, proceed with implementation measures that are authorized under existing law or as may be authorized in the future; and be it further

Resolved, That it is the policy of the state to encourage the federal government, local governments, and other organizations and individuals to proceed with their responsibilities to implement the actions outlined in the management plan; and be it further

Resolved, That the Secretary of the Resources Agency is hereby requested to establish, for a two-year period of service, a multidisciplinary Upper Sacramento River Advisory Council, as recommended in the management plan, to review progress on the overall plan as it is implemented and to make annual recommendations on priorities and schedules to the Legislature and the United States Congress, as project actions are undertaken; and be it further

Resolved, That the Secretary of the Senate transmit a copy of this resolution to the Secretary of the Resources Agency.

COMMENTS/RECOMMENDATIONS:

The initial report was submitted in 1989. Since then, a nonprofit, the Sacramento River Conservation Area Forum, was formed to coordinate and implement associated activities.
