*( Article 1.5 added by Stats. 2000, Ch. 1022, Sec. 1. )*

**48005.45.**

- (a) The Superintendent, by June 1, 2007, shall contract for an independent longitudinal evaluation regarding the effects of the change in the entry age for kindergarten and first grade pursuant to this article. In selecting the independent evaluator, awarding the contract pursuant to this section, and in monitoring performance under the contract, the Superintendent shall consult with the advisory panel convened pursuant to subdivision (b) of Section 48005.13.
- (b) The evaluation shall be based upon samples of sufficient size and diversity to allow results to be reported separately for pupils of different ethnicity, socioeconomic status, and primary language, and results of the evaluation shall be so reported.
- (c) The primary purpose of the evaluation is to determine whether this entry age change results in improved readiness for school and an improvement in academic achievement among participating children.
- (d) The evaluation shall use representative sampling to identify the change's effects on all of the following:
- (1) Academic achievement, as measured by standardized tests, as compared with pupils not participating in the program.
  - (2) Behavioral problems, as measured by objective data including, but not limited to, suspension and expulsion rates, as compared with pupils not participating in the program.
  - (3) Academic problems, as measured by referrals to special education and remedial programs, as compared with pupils not participating in the program.
  - (4) Age of kindergarten entry and previous educationally based preschool experience, including, but not limited to, access to child care and preschool by parents or guardians.
  - (5) Overall retention rates in kindergarten and in subsequent grades.
  - (6) Participation in remedial, supplemental, or summer school programs.
  - (7) Class size.
  - (8) Number of pupils participating in kindergarten.
  - (9) Number of pupils participating in the kindergarten readiness programs.

(10) Differences, if any, between programs with full preschool participation, and those with partial or no preschool.

(11) Child care difficulties caused by the admission age change.

(12) Demographic breakdown of participants and nonparticipants, including, but not limited to, socioeconomic and ethnic demographics.

(13) Facilities difficulties, if any, encountered by participating school districts.

(14) The ability of parents to gain access to the program, disaggregated by ethnic, primary language, and socioeconomic status.

(e) It is the intent of the Legislature that funding for this evaluation be included in the Budget Act or a bill related to the Budget Act. It is the intent of the Legislature to subsequently increase the number of hours funded for the kindergarten readiness program if the reports pursuant to this section indicate that the increase would be beneficial.

(f) (1) The independent evaluator shall report to the Legislature, the Governor, the Superintendent, and the state board.

(2) The initial report shall be filed by June 1, 2009. The interim report shall be filed by January 1, 2011. The final report shall be filed by January 1, 2012.

*[\(Amended by Stats. 2011, Ch. 347, Sec. 22. Effective January 1, 2012. Inoperative July 1, 2013. Repealed as of January 1, 2014, pursuant to Section 48005.55.\)](#)*

*( Article 1 enacted by Stats. 1976, Ch. 1010. )*

#### **52314.**

(a) (1) Except as provided in subdivision (b), any pupil eligible to attend a high school or adult school in a school district subject to the jurisdiction of a county superintendent of schools operating a regional occupational center or regional occupational program, and who resides in a school district which by itself or in cooperation with other school districts, has not established a regional occupational center, or regional occupational program, is eligible to attend a regional occupational center or regional occupational program maintained by the county superintendent of schools. Any school district which in cooperation with other school districts maintains a regional occupational center, or regional occupational program, or any cooperating school districts may admit to the center, or program, any pupil, otherwise eligible, who resides in the district or in any of the cooperating districts. Any school district which by itself maintains a regional occupational center, or regional occupational program, may admit to the center, or program, any pupil, otherwise eligible, who resides in the district. No pupil, including adults under Section 52610 shall be admitted to a regional occupational center, or regional occupational program, unless the county superintendent of schools or governing board of the district or districts maintaining the center, or program, as the case may be, determines that the pupil will benefit therefrom and approves of his or her admission to the regional occupational center or regional occupational program.

(2) Adult students shall not be enrolled in regional occupational center or program courses during the school day on a high school campus unless specifically authorized by the policy of the governing board of the school district.

(3) A pupil may be admitted on a full-time or part-time basis, as determined by the county superintendent of schools or governing board of the school district or districts maintaining the center, or program, as the case may be.

(b) A pupil is not eligible to be admitted to a regional occupational center or program, and his or her attendance shall not be credited to a regional occupational center or program, until he or she has attained the age of 16 years, unless the pupil meets one or more of the following conditions:

(1) The pupil is enrolled in grade 11 or a higher grade.

(2) The pupil received a referral and all of the following conditions are met:

(A) The pupil is referred to a regional occupational center or program as part of a comprehensive high school plan that has been approved by a school counselor or school administrator. The approval of the pupil's parents or guardian may be sought but is not required.

(B) The pupil's comprehensive high school plan requires referral to a regional occupational center or program as part of a sequence of vocational courses that allows the pupil to learn a comprehensive skill occupation that culminates in earning a postsecondary vocational certificate or diploma or its equivalent.

(C) The pupil is enrolled in a school that maintains any of grades 9 to 12, inclusive.

(3) The individualized education program of a pupil adopted pursuant to the requirements of Chapter 4 (commencing with Section 56300) of Part 30 prescribes occupational training for which his or her enrollment in a regional occupational center or program is deemed appropriate.

(4) The pupil is enrolled in grade 10 and has a comprehensive high school plan that has been approved by a school counselor, and the admission of that pupil will not result in the denial of admission or displacement of pupils in grades 11 and 12 that would otherwise participate in the regional occupational center or program.

(c) (1) Each school district, county superintendent of schools, or joint powers agency that maintains a regional occupational center or regional occupational program shall submit to the department, at the time and in the manner prescribed by the Superintendent, the enrollment and average daily attendance for each grade level and the enrollment and average daily attendance for each exemption set forth in subdivision (b).

(2) The department shall submit this information to the education and budget committees of the Legislature, the Legislative Analyst's Office, and the Director of Finance by April 1 of each year for the preceding school year.

#### 8007.

The State Department of Education and the Board of Governors of the California Community Colleges shall submit the following reports each year to the Legislature:

(a) An annual descriptive report containing information on career technical education and technical training programs, including regional occupational centers and programs. The report shall be coordinated with federal evaluation requirements pursuant to Section 113 of Title I of the Carl D. Perkins Vocational and Technical Education Act of 1998 (P.L. 105-332; 20 U.S.C. Sec. 2323) and shall contain all of the following:

- (1) Enrollment defined in terms of secondary pupils, postsecondary students, and adults.
- (2) The number of graduates of programs and students participating in career technical education.
- (3) The number of pupils participating in career technical education.
- (4) The number of pupils completing a specific career technical education program.
- (5) The number of pupils in grade 12 that complete a career technical education program.
- (6) The number of pupils in grade 12 that complete a career technical education program and earn a high school diploma.

(b) An annual individual program evaluation derived from a representative sample of participating districts and schools containing information on program effectiveness as measured by:

- (1) The extent to which persons who complete the program find employment in occupations related to their training.
- (2) Other factors as determined in Budget Act language pursuant to Section 33404.

(c) A copy of the annual state plan for career technical education.
