

California Transportation Commission Budget No. 2600

Report No.	Legislative Report Title—Brief Summary of Reporting Requirements	Admin. Justification for Proposed Elimination or Modification	Committee Staff Comments
1	Report on progress in implementation of the Traffic Congestion Relief Act of 2000	Recommend deletion as this report is part of the Annual Report which is due December 15 of every year.	The California Transportation Commission recommends deleting this report on the progress and implementation of the Traffic Congestion Relief Act of 2000 as the information is already part of an annual report due on December 15 each year.
2	Progress report regarding the awarding of a design-build contract to a transportation entity, as described in Section 6811 of the Public Contract Code	Recommend deletion as this report is part of the Annual Report which is due December 15 of every year.	<p>This section was incorrectly cited in the Report spreadsheet as Section 16811 of the Public Contract Code. The section is Section 6811 of the Public Contract Code.</p> <p>The California Transportation Commission recommends deleting this report as the information is already part of an annual report due on December 15 each year.</p> <p>According to the Assembly Transportation Committee, there is some dispute as to whether or not the information regarding the design-build demonstration program is included in any other report.</p>
3	List of projects funded from the Environmental Enhancement and Mitigation Program during the previous years and a copy of the most recent criteria for allocating grants pursuant to Section 164.56 of the Streets and Highways Code	Recommend deletion as this report is part of the Annual Report which is due December 15 of every year.	The California Transportation Commission recommends deleting this as the information is part of an annual report due on December 15 each year.
4	Annual Report on funding levels for transportation programs	Recommend eliminating this duplicative reporting requirement.	The California Transportation Commission recommends deleting this report as a duplicative reporting requirement.
