

**Department of Resources, Recycling and Recovery Budget No. 3500**

<b>Report No.</b>	<b>Legislative Report Title—Brief Summary of Reporting Requirements</b>	<b>Admin. Justification for Proposed Elimination or Modification</b>	<b>Committee Staff Comments</b>
1	Evaluation of model programs for collection and proper disposal of pharmaceutical drug waste	Delete Reporting Requirement. Required information was a one-time reporting requirement that has since been completed.	According to the Department of Resources, Recycling and Recovery, this one-time report was completed.
2	CalRecycle Annual Report - An evaluation of the waste management-related activities and programs within the Department	Amend reporting requirements to delete portions of the report that are no longer relevant.	The Department is recommending modifying the reporting requirements to delete portions they deem no longer relevant. The Legislature may wish consider delaying action until a specific proposal is submitted.
3	Report evaluating the implementation of a solid waste disposal reporting system	Delete Reporting Requirement. Required information was a one-time reporting requirement that has since been completed.	This one-time report was required of the Integrated Waste Management board in 2002, the precursor to the Department of Resources, Recycling, and Recovery.
